

Specialty Medical Equipment, LLC

Addressing The Needs of Every Patient

We understand how difficult it is to fit continuing education into your busy schedule. Specialty Medical Equipment now offers nine quality continuing education courses that can be scheduled at your convenience and presented at your facility. We offer courses that will help educate as well as fulfill your staff's licensure requirements. We are dedicated to providing the nursing, social work and case management communities with valuable continuing education—FREE of charge. All courses are Massachusetts accredited.

CONTINUING EDUCATION
